What are Micro-Learning Courses (MLC)?

Runs on a mobile app (e.g. Gnowbe.com)

Bite-sized & Focused Learning
(15 mins / lesson)

Participatory learning

Why Micro-Learning?

Flexible

- Designed for convenience & accessibility e.g. During COVID circuit breaker
- Learn anytime when you are 'ready', 24/7
- Start, Stop, and Resume anytime

Effective

- Bite-sized makes it easily digestible
- High engagement & better retention of learning

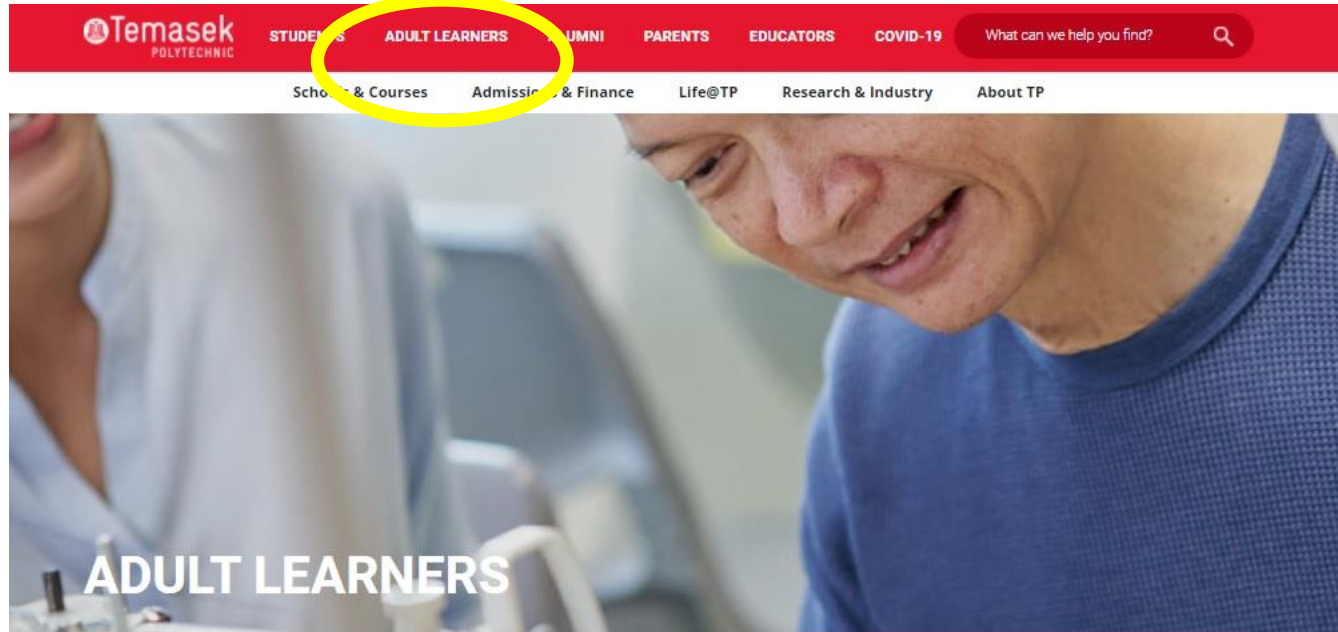

Savings

- Cost less and take less time to learn
- Increases productivity

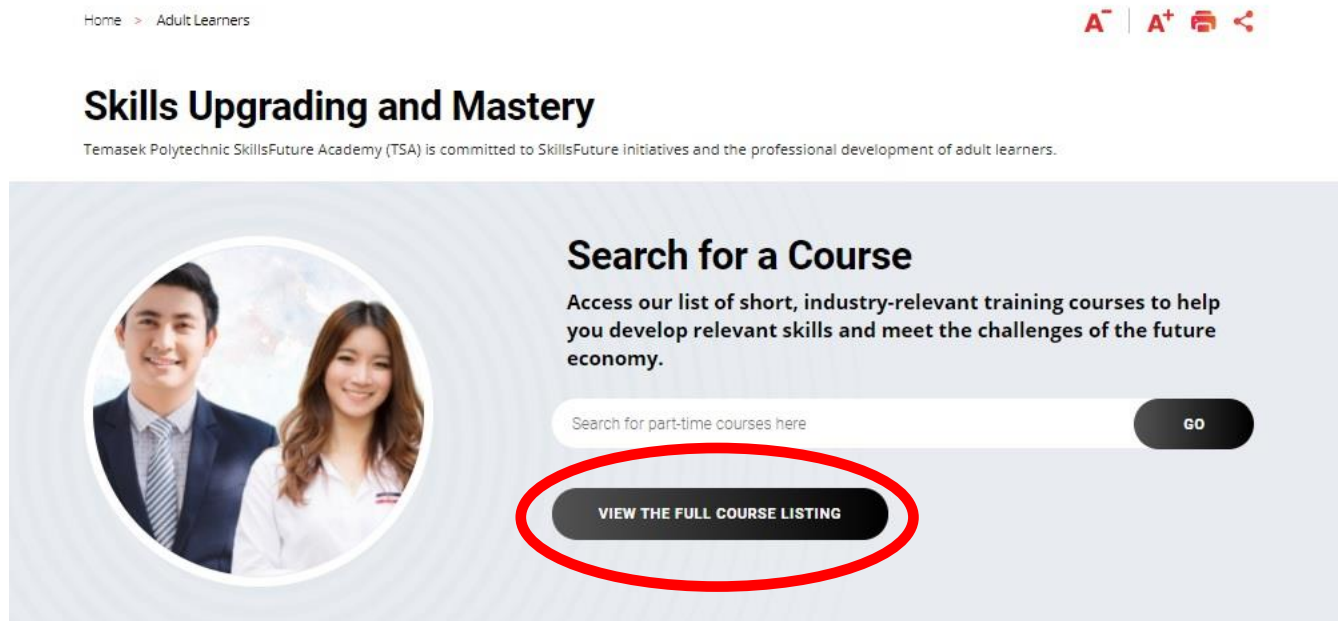

All this is great.

**But before COVID-19...
The take-up of Micro-Learning
Courses was lukewarm.**

**Temasek Polytechnic continued to
invest in developing Micro-Learning
Courses steadily since 2018.**

Today, we have
more than 130
Micro-Learning
Courses to
choose from.
