BERLIN

BERLINER OBERSTUFENZENTREN (OSZ) SECONDARY LEVEL VET-CENTRES IN BERLIN

OPEN AND SUCCESSFUL EDUCATIONAL PATHWAYS FOR EVERYONE

The OSZ System – key elements

- Open educational pathways:
all degrees are accessible to everyone in a step-by-step approach from the BBR to the Abitur
- Degrees:
 - BBR (*Berufsbildungsreife*; after year 9)
 - MSA (*Mittlerer Schulabschluss*; after year 10)
 - *Abitur* (university entrance qualification; after year 12, sometimes year 13)
- Combination of vocational and general education subjects
- Each OSZ is specialised in a certain occupational field, fe.g. engineering, social services or administration

The OSZ System – current facts

- 43 state-run OSZ in Berlin
- 64.000 students
- 40.000 apprentices
- 3.600 teachers working at the OSZs (VET-specific and general education subjects)

BERLIN

One-stop shop: Many educational programmes under one roof

Vocational training preparation

- integrated vocational training preparation (IBA)

Vocational training

- apprenticeship (combining in-company training and vocational school education)
- full-time vocational school programmes (including practical training time)

University entry-level qualifications/ certificates are offered by:

- specialised upper secondary vocational schools (Fachoberschule)
- upper level secondary grammar schools (Berufliches Gymnasium)
- upper vocational schools (Berufsoberschule)

Continuing/ further education and training

- trade and technical school
- training for nursery school teachers

Vocational Training Preparation

Integrated vocational training preparation (IBA)

One-year-preparation programme leading to a regular (formal and recognized) apprenticeship programme

- Obtainable degrees: BBR, MSA

Special pedagogical focus on

- Improve the individual language competence (German)
- Placement services in a suitable company for an internship
- Providing individual support to every student by an educational guide

Vocational Training Models

Apprenticeship on the basis of a training contract (dual VET)

- Legal status: apprentice/ employee
- Is delivered by in-company training and part-time education at a vocational school
- Provides a training allowance

Full-time vocational training

- Legal status: student
- Provide full-time vocational educational programmes including internship
- receive an equivalent degree to the dual VET degree

University entrance qualification: *Abitur* & *Fachabitur*

Berufliches Gymnasium

- vocational and general subjects are inter-linked.
- specific preparation for studies and career
- Duration: 3-year programme
- Certificate: entry-qualification to general higher education (*Abitur*) → enables access to any subject at university

Fachoberschule (FOS)

- Certificates:
 - subject-related entry-qualification for university of applied sciences (*Fachabitur*), 1 or 2 year-programme
 - entry-qualification to general higher education (*Abitur*)
 - internship phases

Qualification for further education

Fachschule

Anyone who already has successfully obtained an initial VET-degree can register in further training courses at an OSZ, e.g. to become a state-certified economist or technician.

E.g. Training to become a pre-school teacher

Full-time or part-time training programme in 3 years

Vocational school for students with special needs

- Specific VET-programms for students with special needs are offered at 4 vocational schools in Berlin.
- Aim: successful job-placements for every single student.
- Students can also acquire formal school-leaving certificates: BBR and MSA

Questions & exchange
