

Towards a Global TVET Agenda innovation and excellence in TVET

Digital TVET Transformation Summit (DOTS 2025)

Wednesday, 28 May, 14:00 - 14:20

Kuala Lumpur, Malaysia

Excellence in VET initiative

Towards a Global TVET Agenda

Pilot Project 2025-2027

- *Initiated by the German Federal Ministry of Education,
supported by the Federal Institute for Vocational Education and Training (BIBB)*

Supporting multilateral organisations and key regional partners in TVET towards a shared goal of enhancing the attractiveness, innovation, quality and excellence of Technical and Vocational Education and Training (TVET) globally.

Towards a Global TVET Agenda – Developing an open global policy partnership

Towards a Global TVET Agenda

Pilot Project 2025-2027

Bonn, May 2025 – TGVA Partners' Meeting, Photo: © BIBB

- Through global **collaboration** and **coordination** between **multilateral and regional** TVET organizations, the initiative *Towards a Global TVET Agenda* aims to:
 1. Promote global agenda setting and coordinated action to strengthen TVET
 2. Foster global exchange and mutual learning to drive policy reform processes
 3. Connect centres of vocational excellence to address common challenges

Towards a Global TVET Agenda – Pilot Project 2025-2027

- **Four focus areas**

1. Partnership for Excellence
2. TVET Data Reporting
3. Global and Regional TVET Innovations – social partner involvement
4. Knowledge Sharing and Agenda Fora

Thank You!

Katharina Engel

Project manager „Excellence in VET“
